Le Français I

Madame Regan

Who am I and why am I here?

- Deborah Regan
- I grew up in Seattle. I have lived on the Plateau since 2009.
- I have always been fascinated with the French language, culture and history.
- I have one son, who is all grown up now.
- This is my 33rd year in the classroom and I STILL love it!
- I am passionate about showing students the Francophone world through Francophone culture, history, arts and language and thereby expanding their World View.

All students should be enrolled at vhcentral.com

All students should be using their district email.

Each student should have a binder, with 4 dividers and loose leaf paper.

Each student should have pen or pencil and a white board marker.

Where is Mme Regan's
website?

What will we be doing in class?

- Learning new vocabulary.
- Learning basic grammar.
- Working on all four skills: reading, writing, speaking and listening.
- We will be using pair work, group work and independent activities.
- Games and projects.
- No late homework accepted.
- Missed quizzes/tests due to an excused absence – 5 school days from the date of the absence to make them up.
- Students will be allowed ONE QUIZ RETAKE per SEMESTER.
- There will be homework nearly every night. It should not take long.

Flex Time

- Is offered Tuesday mornings and Wednesday afternoons.
- I am partnering with Madame Fisher.
- I will be here on Tuesday mornings only.
- Madame Fisher also teaches French. She will be available to help my students or give a makeup quiz or test on Wednesday afternoon if needed.

How can you help your student?

- Make sure they are staying on top of their homework.
- If homework is taking them longer than 20 minutes, encourage them to come in for help right away.
- Study Quizlet with them!
- Have them teach you the French words and phrases that we are currently working on.
- If you already know French, practice with them 😊
